Should this occur, we will need to register for HON 4497 in his 1st course semester in the co-op and HON 4499 for zero Kami J
credit in the 2nd course semester.

IB grades to TC- Student took Math at the standard level he will not earn any credit for math courses
Student was advised to register for the courses listed on the Planner.

Vinh is waiting on his IB scores to come in. When they do, he should receive credit for Comp I, World History, US
History, Calc I, and Calc II. I have registered him for a few classes for fall and SPSU 1001 honors. This will be the only
honors class he takes this fall.
